

The Freight & Salvage presents one of Wales' premier singer/songwriters...

MARTYN JOSEPH

at 8PM on Monday, February 18th!

"A depth, resonance and emotional punch, which belies comparison. One of acoustic music's most original voices and most forward looking of his generation of singer/songwriters." — Q Magazine

"Joseph proves that the path to integrity is a celebration not a chore. An artist of enduring worth." — MOJO Magazine

"Martyn Joseph was a profound experience... He combined edgy protest songs that reached a Phil Ochs intensity at times, but also had a droll sense of humor that kept the audience pleasantly off guard throughout. A fine talent." — The Boston Globe

A welcome return appearance by this renowned Welsh songwriter and charismatic performer of songs of our times, our tribulations, and our wonder. A unique blend of powerful songwriting, passionate performance, and a candid sense of humor underpin a keen sense of justice, community and compassion.
