

WILLIAM PINT & FELICIA DALE

**will be performing at a
House Concert
in BERKELEY
on Sunday, September 28th
at 7:30PM**

This phenomenal, internationally known, Seattle-based duo will be performing at an intimate house concert in Berkeley as their only Northern California performance this tour!

Drawing on several cultures, Pint & Dale perform traditional and modern music and songs reflecting the immense vitality of those who live and work on the sea. With vocals, guitar, mandola, hurdy-gurdy, Irish pennywhistles, and percussion, they bring an energetic and contemporary spirit to their material. Their music fits into the world of modern folk, rock and popular song, but it's rich with the myth, narrative, rhythm, rhyme and lyric associated with the days of the tall ships. Pint & Dale gather together material from many locales and cultures including the British Isles and Brittany.

Pint & Dale have won an ardent following across the United States, Canada, Great Britain and Europe with their recordings and appearances at festivals and concerts. All 9 of their albums have received rave reviews on both sides of the Atlantic. With all of the touring that they have been doing in Europe, it's a real treat to get them back here for their only Northern California appearance (once again en route home from the Dana Point Tall Ships Festival). Their previous concerts have frequently sold out, so reserve early to avoid disappointment!
